ADDITIONAL NOTES

Staff of the collaborating partner institution will guide the student to the most appropriate lecture, seminar and programme of study available to them within the partner institution. Where applicable, the European Credit Transfer Scheme (ECTS) or International credits, which includes the learning agreement describing the programme of study abroad, and approved by both the home and partner institution, will facilitate full academic recognition. The home institution has provided an indicative bibliography for reference during Study Abroad. In addition, the Host Institution will guide students towards particular readings relevant to the individual projects.
