

MODULE DESCRIPTOR

Module Title

Public Health Nutrition

Reference	AS3037	Version	3
Created	August 2021	SCQF Level	SCQF 9
Approved	June 2018	SCQF Points	15
Amended	August 2021	ECTS Points	7.5

Aims of Module

To provide students with the ability to evaluate key issues relating to public health nutrition in the UK and internationally.

Learning Outcomes for Module

On completion of this module, students are expected to be able to:

- 1 Explain and evaluate key elements of UK and international public health nutrition policy and recommendations.
- 2 Discuss theories of health education and strategies designed to improve health.
- 3 Critically analyse health promotion campaigns and the methods used to evaluate them.
- 4 Discuss issues for food security and sustainable agriculture.

Indicative Module Content

Monitoring diet at a population level. Food-based dietary guidelines. Relevant government white papers. Politics of health. Theory and ethics of health promotion and health education including behaviour change strategies. Sources of health and nutrition statistics. Qualitative methods and questionnaire design. Determinants of health. Social marketing and needs assessment. Health promotion campaign models. The role of mass media. UK, international, government and non-governmental organisation policies. Nutrition policy development and implementation. Planning and evaluation of health promotion campaigns. Working with communities. Health economics. Food security. Malnutrition (over- and under-nutrition). Sustainable diets. Genetically modified foods. Future food. Food safety and standards.

Module Delivery

Theoretical material is delivered by lectures, tutorials and workshops.

Indicative Student Workload

	Full Time	Part Time
Contact Hours	40	N/A
Non-Contact Hours	110	N/A
Placement/Work-Based Learning Experience [Notional] Hours	N/A	N/A
TOTAL	150	N/A
<i>Actual Placement hours for professional, statutory or regulatory body</i>		

ASSESSMENT PLAN

If a major/minor model is used and box is ticked, % weightings below are indicative only.

Component 1

Type:	Coursework	Weighting:	100%	Outcomes Assessed:	1, 2, 3, 4
Description:	Component 1 is a written assignment				

MODULE PERFORMANCE DESCRIPTOR**Explanatory Text**

Component 1 (written assignment, CW1) comprises 100% of the module grade. A minimum of a Grade D is required to pass the module.

Module Grade	Minimum Requirements to achieve Module Grade:
A	A
B	B
C	C
D	D
E	E
F	F
NS	Non-submission of work by published deadline or non-attendance for examination

Module Requirements

Prerequisites for Module	Successful completion of Stage 2 or equivalent.
Corequisites for module	None.
Precluded Modules	None.
