Aims of Module

To provide the student with the opportunity to apply, within the placement environment, the knowledge, understanding and personal transferable skills acquired in the programme of study.

Learning Outcomes for Module

On completion of this module, students are expected to be able to:

- 1 Critically reflect on personal skills, attitudes, behaviours and leadership potential in readiness for the placement job search.
- 2 Critically evaluate the contextual and environmental settings of the placement organisation.
- 3 Reflectively evidence the impact of work-based experiences on the ongoing development of knowledge, behaviours and leadership skills.
- 4 Critically appraise theories, models, concepts and principles acquired in the taught programme within workplace setting.

Indicative Module Content

The content of the placement will vary. Each student will work in a discipline related to their chosen degree route. An agreed learning contract and programme of activity will be drawn up with the host organisation which will enable the achievement of learning outcomes.

Module Delivery

Delivery is by means of on-the-job learning. In addition students may be required to attend specific staff development workshops as designated by the host organisation.
