MODULE DESCRIPTOR

Module Title

Global Business Environment

Reference	BSM748	Version	1
Created	November 2018	SCQF Level	SCQF 11
Approved	February 2019	SCQF Points	15
Amended		ECTS Points	7.5

Aims of Module

To introduce students to the study and analysis of the business environment in an era of globalisation, with a concurrent focus on how this impacts more locally.

Learning Outcomes for Module

On completion of this module, students are expected to be able to:

- 1 Critically evaluate the concept of globalisation, its different dimensions and the key theoretical debates surrounding the concept.
- 2 Critically analyse the principal macro-environmental factors which have an impact on international business.
- 3 Appraise in detail the ways in which globalisation has impacted upon the international business environment.
- 4 Critically analyse and evaluate the implications of these changes for countries, institutions, organisations and individuals.

Indicative Module Content

The globalisation thesis; The economic environment; Transnational corporations and international business; Globalisation, technology and business; International finance and trade; Social justice and inequality; The political environment; Regulating international trade, finance and development; The legal environment, business ethics and CSR; Business and culture; The future of globalisation.

Module Delivery

The module is delivered in full-time and part-time mode by lectures, interactive group work, case study seminars and directed self-study. In distance learning mode, delivery is by online participation and discussion with self-directed learning from paper-based and/or web-based learning materials.
