MODULE DESCRIPTOR

Module Title

Creative And Cultural Business News			
Reference	CB3011	Version	1
Created	April 2018	SCQF Level	SCQF 9
Approved	June 2018	SCQF Points	30
Amended		ECTS Points	15

Aims of Module

To provide students with the opportunity to apply academic and practitioner knowledge and skills to an internal news based project.

Learning Outcomes for Module

On completion of this module, students are expected to be able to:

- 1 Perform, demonstrate and explain a range of appropriate news project skills and tasks, taking account of practical and managerial criteria for performance.
- 2 Relate the theories, models, concepts and principles of formal study to a news based practical project.
- 3 Demonstrate effective self-evaluation of experience and skills gained whilst engaged in the practical news based project.

Indicative Module Content

The module offers a six-week period of professional practice within a university based news setting. Students gain the opportunity to experience the practicalities and challenges of a news based project and develop evaluative and reflective practitioner skills and attitudes. Students are also expected to critically evaluate the news creation environment; e.g. operational and managerial structures, communication practices, financial profile and process, product mix (where appropriate) and professional practices.

Module Delivery

Pre-project briefings and supervisory support; supervised and unsupervised assignments and tasks relating to the project; student centred learning and private study. Supervision is provided by the module tutor who will monitor the student's progress and the appropriateness of the learning experience.
