Created	February 2024	SCQF Level	SCQF 9
Approved	June 2018	SCQF Points	60
Amended	April 2024	ECTS Points	30

Aims of Module

To provide students with the opportunity to apply academic and practitioner knowledge and skills to a workplace experience related to their particular area of study.

Learning Outcomes for Module

On completion of this module, students are expected to be able to:

- 1 Perform, demonstrate and explain a range of appropriate workplace skills and tasks, taking account of practical and managerial criteria for performance.
- 2 Relate the theories, models, concepts and principals of formal study to a particular working environment.
- 3 Demonstrate effective self-evaluation of experience and skills gained whilst engaged in professional practice.

Indicative Module Content

The module offers a 12-week period of professional practice, selected with guidance in collaboration with the Placement Office. Students gain the opportunity to experience the practicalities and challenges of relevant workplace situations and develop evaluative and reflective practitioner skills and attitudes. Students are also expected to critically evaluate the workplace environment; eg operational and managerial structures, communication practices, financial profile and process, product mix (where appropriate) and professional practices. To engage students with UNESCO's Education for Sustainable Development Systems Thinking, the following competencies are relevant; Anticipatory, Collaboration, Critical-thinking, System-thinking, Normative competency and Self-awareness - these competencies relate to students recognising and understanding relationships between disciplines, learning from others in a professional working environment and the sharing and transferal of acquired educational and professional skills, understanding the needs, perspectives and actions of others, reflecting on self-values and motivations, continued learning and facilitating collaborative actions and activities.

Module Delivery

Pre-placement briefings and tutorial support; debriefing on return from placement; supervised and unsupervised assignments and tasks in the workplace; student centred learning and private study. Supervision is provided by the employer and both student's progress and the appropriateness of the learning experience is checked by the supervising lecturer.
