None.

Assessment Plan

Precluded Modules

None.

| | |
|-------------|----------------------------|
| | Learning Outcomes Assessed |
| Component 1 | 1,2,3 |

Aims of Module

To enable the student to practise computing in a business environment, using the skills gained at Stages 1 and 2.

Component 1 - The assessment consists of one review made by the company's supervisor. The process is monitored by an academic tutor appointed from the staff, who will make one visit to the company premises within the 16 week placement period.

Learning Outcomes for Module

On completion of this module, students are expected to be

Indicative Bibliography
