Prerequisites for Module

Students must have completed EN3601 Work Placement (Level 3).

Corequisite Modules

None.

Precluded Modules

None.

Aims of Module

To provide the student with the ability to apply the knowledge and understanding as well as the personal transferable skills acquired in the programme in the real world environment of work.

Learning Outcomes for Module

Indicative Student Workload

<i>Contact Hours</i>	Full Time
Students are expected to work a minimum of 600 hours (10 hours per SCQF credit point) during a 24 week period.	600

Mode of Delivery

Delivery is by means of on-the-job training. In addition students may be required to attend specific staff development workshops as designated by the host organisation.

Assessment Plan

Learning Outcomes Assessed

On completion of this module, students are expected to be able to:

1. Demonstrate further development of the necessary skills in the following areas:
 - (i) Technical and Learning skills
 - (ii) Staff relations skills
 - (iii) Planning and Organisation skills
 - (iv) Personal and Professional skills
 - (v) Communication skills
2. Review their own strengths and weaknesses as a potential systems/ network manager or consultant.
3. Apply the theories, models, concepts and principles acquired in the course programme to the workplace.

Indicative Module Content

The content of the level 4 placement will be an enhancement to the work placement undertaken at level 3. Each student will draw up a new agreed learning contract with the host organisation and devise a programme which will enable the learning outcomes specified to be achieved.

Component 1	1,2,3
----------------	-------

Component one is assessed by means of staff appraisal by the company following the approved University assessment scheme for this element. The scheme for assessment is designed to assess the learning outcomes 1-3 and consists of each student providing a portfolio of evidence which will contain the following:

- (a) a learning contract.
- (b) documentation for the periodic reviews.
- (c) evidence from the student's Personal Development Portfolio to support the learning achieved.
- (d) Further evidence deemed appropriate by the student to demonstrate that the teaching outcomes set have been achieved. (100% weighting).

Indicative Bibliography

None.
