Practice Learning 2/Contexts

Reference	SS3019	Version	5
Created	July 2017	SCQF Level	SCQF 9
Approved	September 2004	SCQF Points	15
Amended	August 2017	ECTS Points	7.5

Aims of Module

To allow students to apply a range of concepts to their direct practice as required by the SSSC contained in the Standards in Social Work Education document.

Learning Outcomes for Module

On completion of this module, students are expected to be able to:

- 1 Appraise knowledge of contemporary social policy and legislative issues and relate these to organisational structures concerned with service delivery within the practice setting.
- 2 Critically discuss knowledge of structural oppression, cultural diversity, social exclusion and comment on how they impact on the lives of and circumstances of service users.
- 3 Provide analysis of service delivery by the practice learning setting drawing on supporting evidence.

Indicative Module Content

Direct practice experiences which will allow the student the opportunity to reflect and integrate a range of values, theories and methods to social work practice. Where a student's practice learning is undertaken in a child care setting they will draw from theory, practice and research of the subject matter and meet the expectations and knowledge requirement of the Key Capabilities in Child Care and Protection (Scottish Executive, 2006). All students on placements must address key requirement 1 of the Key Capabilities in Child Care and Protection.

Module Delivery

Direct social work practice learning.
