Created	February 2022	SCQF Level	SCQF 9
Approved	May 2020	SCQF Points	15
Amended	February 2022	ECTS Points	7.5

Aims of Module

To provide practice experience which will enable the student to enhance their employability and transferable skills and experience working within a suitable social science based environment.

Learning Outcomes for Module

On completion of this module, students are expected to be able to:

1	Apply relevant social science skills in a workplace setting
2	Identify and develop relevant employability and transferable skills in a workplace setting
3	Critically reflect upon their personal and professional development after undertaking the placement

Indicative Module Content

Direct placement experience, which will allow the student to reflect, apply and develop a range of relevant employability and transferable skills. Where a student's placement is research-based, they will actively demonstrate research methods skills. If the placement is undertaken in a more traditional work placement, then they will have the opportunity to draw upon Applied Social Sciences theory, values and research.
