Amended	August 2021	ECTS Points	30

Aims of Module

To provide the student with the opportunity to apply, within the placement environment, the knowledge, understanding and personal transferable skills acquired in the programme of study.

Learning Outcomes for Module

On completion of this module, students are expected to be able to:

- 1 Competently demonstrate and use skills and crucially exhibit attitudes and behaviours appropriate to providing visionary leadership in the workplace.
- 2 Critically recognise and reflect on own strengths and weaknesses as potential managers.
- 3 Critically evaluate the contextual and environmental settings of the organisation in which they are placed for understanding the operational and strategic issues.
- 4 Critically appraise and competently apply the theories, models, concepts and principles acquired in the programme of study to the workplace.
- 5 Reflectively evidence new learning regarding knowledge, skills and abilities required for effective leadership in increasingly digitalised, decentralised and diversified workplaces.

Indicative Module Content

The content of the placement will vary. Each student will work in a discipline related to their chosen degree route. An agreed learning contract and programme of activity will be drawn up with the host organisation which will enable the achievement of learning outcomes.

Module Delivery

Delivery is by means of on-the-job training. In addition students may be required to attend specific staff development workshops as designated by the host organisation.
