

MODULE DESCRIPTOR

Module Title

International Corporate Governance and Sustainability

Reference	LLM315	Version	1
Created	September 2024	SCQF Level	SCQF 11
Approved	March 2013	SCQF Points	15
Amended	July 2023	ECTS Points	7.5

Aims of Module

This module aims to give students an understanding of corporate governance issues. It focuses initially on the systems within the United Kingdom and then explores various governance systems worldwide. The module will address the following: international standards and guidelines on corporate governance frameworks, board dynamics and models of corporate governance, audit and internal controls, the meaning and importance of ESG, sustainability, corporate social responsibility and good governance to corporations.

Learning Outcomes for Module

On completion of this module, students are expected to be able to:

- 1 Evaluate the fundamental concepts, principles, theories and philosophies behind the 'good governance' movement;
- 2 Compare and contrast the various corporate governance systems found in the global business arena; with emphasis on Asia, India, Japan, Europe, America, and the United Kingdom;
- 3 Explore the integration of corporate social responsibility (CSR) and environmental, social, and governance (ESG) factors into governance practices for long-term value creation;
- 4 Explore the evolving role of boards, governance practices and anticipate future trends and challenges in corporate governance;

Indicative Module Content

This module will explore the regulations and models of the corporate form in an international setting. The composition of the board, roles of directors, board effectiveness and building better boards. The integration of CSR/ESG and sustainability in global governance. The Governance of Corporate Risk and Sustainability, and the all-important relationship with investors and stakeholders for the long-term sustainability of corporations.

Module Delivery

Lectures (incl. guest lectures); seminars; group discussions; group activities; presentations; directed reading/research, case studies.

Indicative Student Workload
