MODULE DESCRIPTOR

Module Title

Foundations of Paramedic Practice

Reference	NU1404	Version	1
Created	February 2020	SCQF Level	SCQF 7
Approved	May 2020	SCQF Points	30
Amended		ECTS Points	15

Aims of Module

To enable the student to meet the relevant HCPC competencies in the Practice Assessment Document through supervised participation in practice.

Learning Outcomes for Module

On completion of this module, students are expected to be able to:

- 1 Demonstrate a proactive approach to their own learning and the ability to participate in care with guidance from Practice Educators.
- 2 Demonstrate achievement of the HCPC standards of proficiency and standards of conduct, performance and ethics outcomes, as identified within the Practice Assessment Documentation (PAD), to meet progression criteria for entry to Stage 2 of the course.
- 3 Demonstrate professional attitudes and values across a range of practice learning environments taking cognisance of shared ethical and professional values within uni-professional and interprofessional teams.
- 4 Safely demonstrate a range of communication and relationship management skills in a person-centred manner.
- 5 Safely demonstrate a range of Paramedic procedures to provide evidence-based, person-centred care.

Indicative Module Content

Preparation for practice; Meeting the standards of proficiency set by the HCPC: Practice safely, lawfully and effectively within their scope of practice; Meeting the HCPC standards of conduct, performance and ethics.

Module Delivery

Practice learning experiences in a variety of ambulance, health and social care environments that meet the Quality Standards for Practice Placements (NES 2008).

Indicative Student Workload	Full Time	Part Time
Contact Hours	N/A	N/A
Non-Contact Hours	N/A	N/A
Placement/Work-Based Learning Experience [Notional] Hours	300	N/A
TOTAL	300	N/A
<i>Actual Placement hours for professional, statutory or regulatory body</i>	750	

ASSESSMENT PLAN

If a major/minor model is used and box is ticked, % weightings below are indicative only.

Component 1

Type: Coursework Weighting: 100% Outcomes Assessed: 1, 2, 3, 4, 5

Description: Practice Assessment Document

MODULE PERFORMANCE DESCRIPTOR

Explanatory Text

Practice Assessment Document assessed on a pass/fail basis by the Practice Educator. The module is split into 4 practice learning experiences.

Module Grade

Minimum Requirements to achieve Module Grade:

Pass

Pass grade awarded for each practice learning experience.

Fail

Fail awarded for one or more practice learning experience.

NS

Non-submission of work by published deadline or non-attendance for examination

Module Requirements

Prerequisites for Module

Evidence of achievement of the mandatory health and safety requirements as defined by the School and practice partners.

Corequisites for module

None.

Precluded Modules

None.
